# The Specialisms

The programme offers two specialisms – Taxation of Larger Companies & Groups or Owner-Managed Businesses.

Students will need to successfully complete the CA and CTA modules and examinations alongside the professional development, ethics and relevant professional experience components.

## TAXATION OF LARGER COMPANIES & GROUPS

Students sit 12 of the 13 CA modules (excluding the Skills (elective) paper), the CTA Advanced Technical examination: Taxation of Larger Companies & Groups, plus the CTA Professional Responsibilities & Ethics Computer Based Examination. Students then choose from a CTA Advanced Technical examination, CTA Application and Professional Skills Case Study or or one of two selected CIOT ADIT examinations. The full list of available papers can be found in the exam

## TAXATION OF OWNER-MANAGED BUSINESSES

Students sit 12 of the 13 CA modules (excluding the Skills (elective) paper), the CTA Advanced Technical examination: Taxation of Owner-Managed Businesses, plus the CTA Professional Responsibilities & Ethics Computer Based Examination. Students then choose from a CTA Advanced Technical examination, CTA Application and Professional Skills Case Study or or selected CIOT ADIT examinations. The full list of available papers can be found in the exam structure on the next page.

# CA qualification Syllabus Levels and Courses

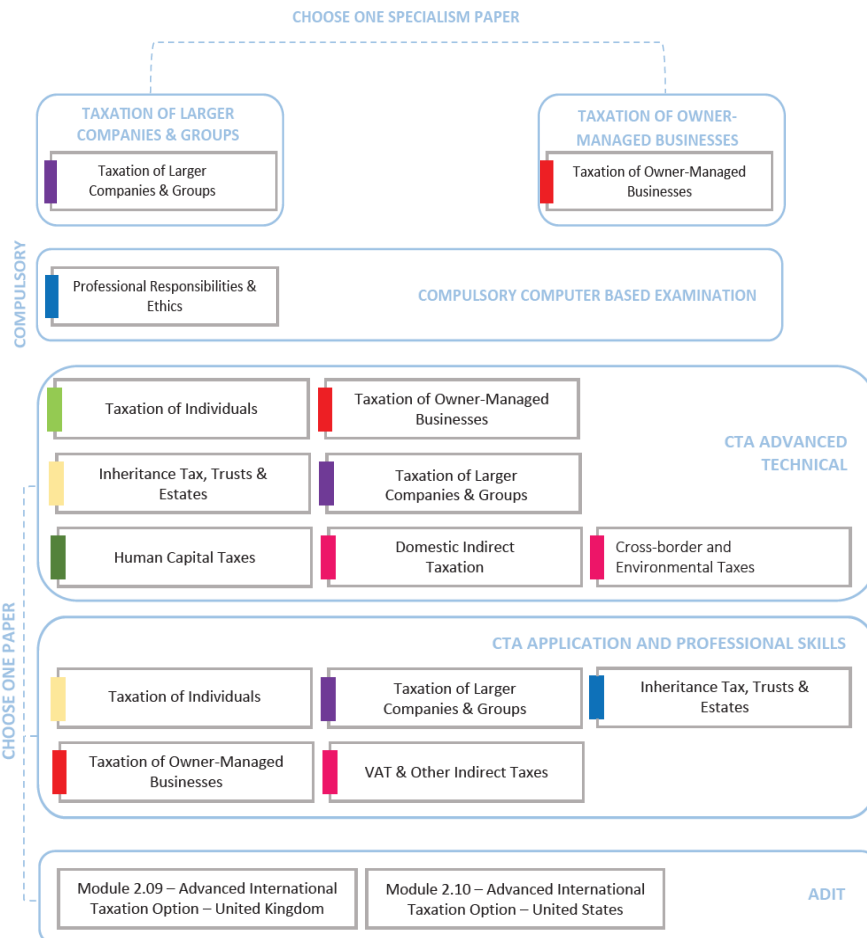

## CA Exam Modules

You are required to complete the CA exam modules listed in the diagram, except for the Skills (Elective) paper. Your chosen CTA Specialism paper takes the place of the CA Skills (Elective) paper.

For further information on the CA qualification, please visit: [icas.com/become-a-ca](https://www.icas.com/become-a-ca) or contact [students@icas.com](mailto:students@icas.com)

## CTA Examinations

You are required to complete two CTA tax papers and one Computer Based Examination.

You first choose one of the two specialism papers. This will affect the options available for the second written paper.

The second tax paper is one from the list on the left. (Excluding the Specialist paper you have already taken.)

For the ADIT papers please see page seven.

## Example One – Taxation of Larger Companies & Groups Route

As I have chosen the Taxation of Larger Companies & Groups Route my specialism paper is the Taxation of Larger Companies & Groups paper. Once I have passed this paper then I can attempt my CA Integrated case study module.

Before I can book my final CTA tax paper I need to pass my Professional Responsibilities & Ethics Computer Based Examination.

For my final CTA tax paper, I can choose any paper except for the CTA Advanced Technical paper: Taxation of Larger Companies & Groups as this was my specialism paper. I decide to sit the CTA Advanced Technical paper: Taxation of Owner-Managed Businesses.

Once I have passed these three examinations I am CTA exam qualified. If I have completed the CA examinations and meet the CIOT membership experience requirement, I would be eligible to apply for membership of the CIOT.

## How to Register

To join the CA CTA Joint Programme you need to first register as an CA student with ICAS.

# Frequently Asked Questions

If you have a question that is not included here, contact us at [education@ciot.org.uk](mailto:education@ciot.org.uk).

## About the Programme

How is the Joint Programme different from studying the CTA, once qualified as an ICAS Chartered Accountant?

Under the sequential route to qualification of both ICAS and CIOT, you undertake the CA by successfully completing 3 or more years practical work experience and 13 accountancy, finance, business, skills and ethics modules. Once you become a CA you then register as a CIOT student, complete the CTA qualification and apply for membership of the CIOT.

The Joint Programme enables you to study the CA and CTA qualifications simultaneously and to sit two fewer examinations.

Will I still gain two qualifications?

The membership requirements for both ICAS and CIOT remain the same regardless of the chosen specialism and you will be able to use the designatory letters CA and CTA.

How long does it take to complete the Joint Programme?

It is anticipated that it will take three to four years to complete the Programme. This does depend on workload, scheduling of courses, study and exam results.

Can an employer offer both the Joint Programme and the more traditional, sequential route to the CA and CTA qualifications?

Yes, there is complete flexibility for all employers.

Do students have to work in a tax role?

The Joint Programme assumes that you will be in a tax role, gaining practical experience of the taxation of the chosen specialism.

## Studying on the Joint Programme

Who can join the Joint Programme?

The only requirement that is needed to join the Joint Programme is a current student registration with ICAS.

Can current CA or CTA students join the Joint Programme?

If you are an CA student you can join the Joint Programme if you have not yet completed the Skills (elective) paper. It may still be possible to join the Joint Programme if you have already passed the Skills (elective) paper but there will be additional time and expense incurred. If you are a CIOT student you can join the Joint Programme provided you have not yet passed two CTA Advanced Technical Papers. Members of either body are not eligible to join the Joint Programme.

How I sign up to the Joint Programme?

You must be registered as an CA student before you can apply for the Joint Programme. Your CA student number must be submitted to the CIOT to register onto the Joint Programme.

What fees are involved?

Registration and Examination entry fees can be found on the following page of our website <https://www.tax.org.uk/CTA-student-fees>

Is there a time limit for students on the Joint Programme?

To gain membership of the CIOT via the Joint Programme, you must complete the exam requirements of both the CIOT and ICAS.

You have no limit on the number of attempts on the CTA examinations. A CTA examination credit for passing remains valid for the next seven sittings following the sitting at which the credit was obtained. Professional Responsibilities & Ethics passes will remain valid for the next nine sittings.

Please see our website's membership pages for more information:

# Frequently Asked Questions continued

If you have a question that is not included here, contact us at [education@ciot.org.uk](mailto:education@ciot.org.uk).

## Structure of the Joint Programme

### How many exams do I have to pass?

You are required to complete 12 of the 13 CA modules (excluding the Skills (elective) exam), your specialism paper, plus the CTA Professional Responsibilities & Ethics Computer Based Examination. You then choose from a CTA Advanced Technical examination, CTA Application and Professional Skills Case Study or CIOT ADIT examination. The full list of available papers is on [page 4](#).

### Is there an order that I have to take the exams in?

You must have passed all of your Knowledge assessments and all of the Skills (Core) assessments (except for Data, Risk and Technology) before sitting the first CIOT advanced technical paper. Data, Risk and Technology can be sat afterwards, but all five ICAS skills papers must be passed before moving on to Integration.

You must also sit your CTA specialism paper before you can attempt the CA Integration assessments. You must sit your Professional Responsibilities & Ethics CBE before you register for your final CIOT tax paper.

### What is the format of the Computer Based Examination in Professional Responsibilities & Ethics?

Of the CTA Computer Based Examinations, CA/CTA candidates only need to sit Professional Responsibilities and Ethics.

# Extra Time and Alternative Arrangements in the Examinations

If your personal circumstances are such that it takes you longer to read or write than is normally allowed for in an examination and you require additional time or alternative arrangements than the usual, you need to complete a form in order for your requirements to be individually assessed and submit this, together with medical documentation (as up-to-date as possible), to support your application.

Applications can only be considered if they are submitted using the extra time application form. Please contact the Education Team ([education@ciot.org.uk](mailto:education@ciot.org.uk)) to complete the relevant form. Even if you have previously been granted extra time or alternative arrangements you must contact us to confirm that you still require extra time or alternative arrangements in subsequent examination sittings.

**This form must be submitted before the closing date of the examination you intend to sit.**

## Mitigating Circumstances and Special Consideration

The CIOT recognises that you may sit your examination in difficult circumstances and has a process in place which allows you to request special consideration if you feel that your performance in your examination(s) was affected by serious personal circumstances (such as illness or close bereavement over or immediately preceding the examination period or if you experienced a particular problem on the day of your examination).

Please refer to the policy below for more information:

If you decide to proceed with your examination(s) even though you believe that your performance will be affected, you should notify the CIOT within two weeks after sitting the examination(s) so that this may be noted for the review by the Examination Committee. The report must be made in writing by you (e-mail is preferred), with medical confirmation or other evidence if appropriate.

All reports of serious personal circumstances will be considered by the Examination Committee, who may consult others as they see fit.

An awareness of your serious personal circumstances will not necessarily result in additional marks being awarded. The decision for the award of additional marks lies solely at the discretion of the Examination Committee.

No report of serious personal circumstances submitted after the publication of the results will be considered.

### Professional Responsibilities & Ethics

If any problems arise during the sitting of the Professional Responsibilities & Ethics examination you should notify the exam supervisor at your chosen test centre or the proctor if you are sitting remotely. You should then report the matter to the CIOT within two weeks of the date of your exam. Further information on rescheduling the Professional Responsibilities & Ethics exam can be found on our website, <https://www.tax.org.uk/cbes>.

## Examination Cancellations

Please refer to our policy regarding examination cancellations:

<https://www.tax.org.uk/cancellation>

## CBEs

Should you fail to have any acceptable identification with you at the CBE centre or at your remote sitting location then you will not be able to sit your CBEs. If any problems arise during the sitting of any of the CBEs you should notify the exam supervisor at your chosen test centre or the proctor if you are sitting remotely. You should then report the matter to the CIOT within two weeks of the date of your exam. Further information on rescheduling the CBE can be found on our website,

<https://www.tax.org.uk/cbes>
