	YES	€ 570	-	€ 0

* MREC: Medical Research Ethics Committee (Dutch: METC)

** Medical Research Involving Human Subjects Act: Dutch WMO

When amendments are placed on the agenda of a chamber meeting (instead of being assessed by the Executive Committee), a fee for review of a new submission may be charged.

When MREC NedMec is asked to review a new external biobank in combination with a WMO/MDR-submission, an additional fee of €3.000,- will be invoiced by the MREC.

Resubmission reduction 50%. This means the resubmission of the (entire) file following a previous withdrawal or negative decision. It does not refer to the assessment of the response and/or amended or additional documents in an ongoing review.

Effective as of 01-01-2025
