

# Christmas Sweepstake

In aid of  
**SCOPE**

A quick and easy fundraising idea for work or home.

We know that the regulations around fundraising and gambling can be confusing, so we've done all the hard work for you.

Just follow the step-by-step guide on this page, and you'll be fine!

## How to play:

- 1** Read through and complete the relevant areas of the terms and conditions on your Christmas sweepstake game.
- 2** Select the winning number from the list and write it down. Keep it safe and locked away so no one taking part can see it.
- 3** Invite colleagues, friends or family to play the game and give **£2 per guess**, either in cash or to your online fundraising page.
- 4** Once all the guesses have been filled in, or you reach the closing date, reveal the winner and give them their prize. It could be half of the money from entries or a nice festive box of treats, your choice!
- 5** As the organiser and promoter, you are responsible for notifying the winner and awarding them their prize within 14 days of the closing date.
- 6** You are also responsible for donating all money raised by 31 January 2025. Find out how on the back page.
