

AMEY TSSA

NEWSLETTER

It's your pay, have your say! The TSSA Amey 2025 pay claim survey is now live.

Help your TSSA reps to prepare a claim for improvements to your pay and conditions in advance of the 1 March 2025 pay anniversary.

Reps will submit a formal claim for improvements to terms and conditions, based on members' priorities and TSSA policies. Please take a couple of minutes to complete our online survey so that you can have your say and strengthen your negotiating team's mandate to secure a good deal for the future:

Survey closes at 23:59 Sunday November 17.

All Amey Rail staff in Bands A-C are covered by collective bargaining. As a recognised trade union, TSSA members are represented collectively when negotiating pay and conditions. We engage members in workplace democracy to create a powerful voice and to make decisions collectively.

Resources to help with workplace issues
