Our Interest Rates

Please refer to the Product Special Conditions and the Newcastle Building Society's Savings General Terms and Conditions for full product details. All interest rates are variable except where indicated.

¹Interest will be paid gross² which means no tax is deducted. It is your responsibility to pay any tax due based on your individual circumstances. ISA interest is paid tax-free, which means it's exempt from income tax.

Tax rules may change in the future.

²Please refer to the www.gov.uk website for details on the different tax thresholds and what action may be required by yourself.

³We can deduct any tax from the rate of interest where we're allowed to do so by law.

⁴If you are responsible for tax in a country other than the UK or in addition to any UK tax responsibility you may have, we may provide details of your Account to the tax authorities of these other countries if we're required to do so by law.

⁵If you make your investment by cheque it will earn interest from the second business day after receipt. When an investment is made in cash or bank transfer or from another account with Newcastle Building Society (cleared funds)

or an Automated Payment, interest is paid from the day of receipt until the day prior to withdrawal. (Business days exclude Saturdays, Sundays and Bank Holidays).

⁶"Gross" means the contractual rate of interest. ⁷"AER" stands for Annual Equivalent Rate and shows what the interest rate would be if interest was paid and added to your account each year.

⁸All ISA interest is paid tax-free, which means it's exempt from income tax. Tax-free refers to the contractual rate of interest payable, where interest is exempt from income tax. The tax information

and H M Revenue & Customs practice, both of which may change.

Whenever Newcastle Building Society revises its rates, notification and details of any changes are always published in the following ways:

• Notices and leaflets displayed in all of our branches; or

• On our website: www.newcastle.co.uk

If you have a fixed rate account, the interest rates are not included here. Please refer to your original Product Terms and Conditions for the interest rate payable as this will not change before the maturity date.
