Frequently asked questions

How long will my remortgage take to complete?

Your law firm will complete the remortgage as soon as they are able, unless otherwise advised by you. The completion date is dependent on your law firm receiving all of the required information from you and your lender. A standard remortgage takes on average 25 working days to complete from the loan being agreed with the mortgage lender.

I don't want to complete straight away, should I return my documents straight away?

You should return your documents to your law firm immediately as this enables them to prepare for your requested completion date, even if it is in six months' time.

Why do I have to provide evidence of identification to the law firm?

The law firm is required to complete additional identification checks in accordance with money laundering regulations. The main aim of these is to assist in combating mortgage fraud and to protect individuals. The checks will vary depending on the transaction, lender requirements and law firm's policies.

Do I need to visit my law firm during the process?

No. Most transactions are dealt with by telephone, post, email and fax.
