**Our Interest Rates**  
Please refer to the Special Conditions and the Savings General Terms & Conditions for full product details. The interest rate payable is fixed and will not change before the maturity date.

- Interest will be paid gross, which means no tax is deducted. It is your responsibility to pay any tax due based on your individual circumstances.
- ISA interest is paid tax-free, which means it's exempt from income tax. Tax rules may change in the future.
- Please refer to the [www.gov.uk](http://www.gov.uk) website for details on the different tax thresholds and what action may be required by yourself.
- We can deduct any tax from the rate of interest where we're allowed to do so by law.
- If you are responsible for tax in a country other than the UK or in addition to any UK tax responsibility you may have, we may provide details of your account to the tax authorities of these other countries if we're required to do so by law.
- If you make your investment by cheque it will earn interest from the second business day after receipt. When an investment is made in cash or bank transfer or from another account with Newcastle Building Society (cleared funds) or an Automated Payment, interest is paid from the day of receipt until the day prior to withdrawal. (Business days exclude Saturdays, Sundays and Bank Holidays).

'Gross' means the contractual rate of interest without the deduction of tax.  
'AER' stands for the Annual Equivalent Rate and shows what the interest rate would be if interest was paid and added to your account each year.  
ISA interest is paid tax-free. Tax-free refers to the contractual rate of interest payable, where interest is exempt from income tax. The tax information provided is based on the current law and HM Revenue & Customs practice, both of which may change.
