Conclusion

This ED was published in March 2021. Due to resource constraints, the PIP was approved at the 20 July 2021 Board meeting. The PIP explained this ED was likely to impact a large number of UK stakeholders so educational videos in conjunction with IASB were created and an approach centred on roundtables and stakeholder interviews agreed. Extension to the IASB timeline allowed this outreach to involve further stakeholders and allowed time for UK field tests. The lack of formal responses to the draft comment letter has been mitigated by the extensive stakeholder participation in other forms of outreach, including field tests. Since

March 2021 UKEB due process has been subject to change, culminating in production of the consolidated draft Due Process Handbook reviewed by the Board at its November meeting. Overall, on this project due process, as understood at the time, was complied with.
