Step-by-step guide to sharing your Buns!

1. Gather together a few bakers in your community group, at your church or amongst your friends and family.
2. Contact DKMS to let us know you're sharing your Buns, so we can send you out collection cans and other materials.
3. Send out the Bread Ahead recipe and the masterclass to all the bakers, and get baking lots of delicious buns.
4. Arrange a stand somewhere with lots of visitors. This could be your local school, Church, community hall, or even your front garden.
5. Let people know when and where to get their Buns – share on your local Facebook group, put up posters locally and chat to your friends and neighbours.
6. Ask your bakers to drop of their Buns to the stand with plenty of time to get set up. Remember your DKMS collection cans and materials.
7. Ask for donations for each of the home baked Buns, raising vital funds in the fight against blood cancer.
8. Let DKMS know that you've shared your Buns and we'll give you information about paying in the money raised and say a huge thank you!
9. Treat yourself to a Hot Cross Bun!
