

It's best to use a real broomstick to play limbo.

Broomstick Limbo

*How the cat purred and how the witch grinned,
As they sat on their broomstick and flew through the wind.*

This brilliant broomstick game is perfect for playing with friends!

Broomstick Limbo

You will need:

1 broomstick

How to play:

- 1 All the players line up in single file.
- 2 Ask two grown-ups to hold the broomstick at about the height of the tallest player.
- 3 Now take turns going under the broomstick in silly ways. You can hop or dance, or pretend to be a character from *Room on the Broom*. The sillier, the better!
- 4 The grown-ups lower the broomstick after each round, making it harder and harder for players to go under. It's not easy!
- 5 If players fall or their hands touch the ground, they're out of the game and stand on the side to cheer on the other players.
- 6 The last person to make it under the broomstick is the winner.
