

Make Your Own Paper Chains

Help the clever little ladybird make paper chains to celebrate her birthday

- ★ Cut out the paper chain designs below – don't forget to ask an adult for help using scissors
- ★ Fold the first strip into a ring and glue the ends together
- ★ Slide the next strip of paper through the ring and glue the ends together
- ★ Repeat until your chain is complete – you might need to print this sheet out a few times to make a chain that is long enough or you could even add your own designs
