

Glowing Wands

*They shot through the sky to the back of beyond.
The witch clutched her bow but let go of her wand.*

You won't want to let go of this brilliant glowing wand!

You will need:

A pencil
Tracing paper
A glow stick
Coloured card
Safety scissors
Sticky tape
A pen
Glue

What to do:

- 1 Use a pencil to trace this star onto tracing paper. Stick it onto a piece of card and then use your safety scissors to carefully cut it out to make a stencil.
- 2 Draw around the stencil onto the coloured card.
- 3 Carefully cut out your star.
- 4 Write your name on your star with a pen.
- 5 To make the wand, use sticky tape to fix your star to the end of a glow stick.
- 6 Bend the sticks to make your wand glow.
