Glowing Wands

They shot through the sky to the back of beyond.
The witch clutched her bow but let go of her wand.

You won’t want to let go of this brilliant glowing wand!

You will need:
- A pencil
- Tracing paper
- A glow stick
- Coloured card
- Safety scissors
- Sticky tape
- A pen
- Glue

What to do:

1. Use a pencil to trace this star onto tracing paper. Stick it onto a piece of card and then use your safety scissors to carefully cut it out to make a stencil.

2. Draw around the stencil onto the coloured card.

3. Carefully cut out your star.

4. Write your name on your star with a pen.

5. To make the wand, use sticky tape to fix your star to the end of a glow stick.

6. Bend the sticks to make your wand glow.
