Todd Hewitt lives in a town unlike other towns. There are no women, and everyone can hear everyone else's thoughts in an overwhelming, never-ending stream of Noise.

But then Todd meets someone who should not exist: a girl. Even in a town where privacy is impossible, there is a secret so terrible, they're going to have to run for their lives. But how do you escape when your pursuers can hear your every thought?

The multi-award-winning novel by Patrick Ness, the first in a gripping trilogy, is now a major motion picture starring Tom Holland and Daisy Ridley.

"I would press the Chaos Walking trilogy urgently on anyone, anyone at all."
Guardian

"Terrifying, exhilarating and heartbreaking." *Sunday Telegraph*
