

A COMFORTING AND LYRICAL BOOK ABOUT FRIENDSHIP AND UBUNTU  
THAT CELEBRATES BOTH OUR DIFFERENCES AND SIMILARITIES.

As ek gaaf is met jou,  
is ek gaaf met myself.

Ek is jy en jy is ek.

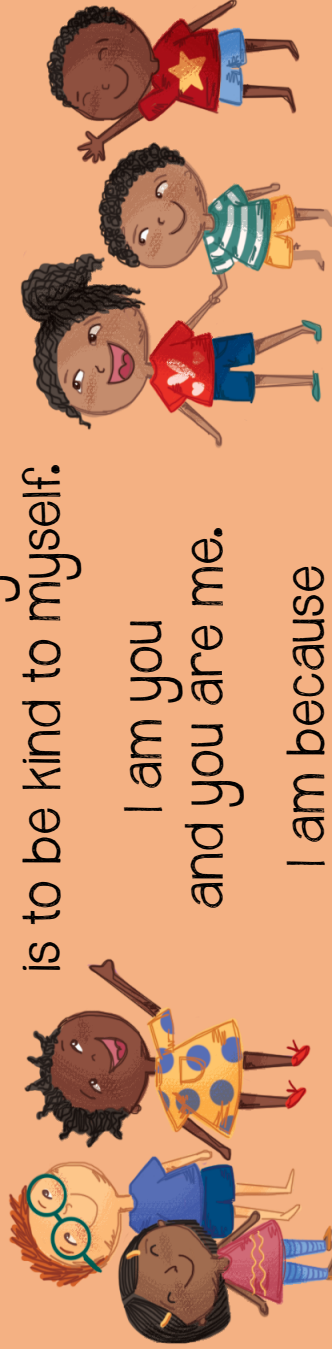

Ek is wie ek is,  
want ons is een.

To be kind to you  
is to be kind to myself.

I am you  
and you are me.

I am because  
we are one.

Ukuba nomusa  
kuwe kungukuba  
nomusa kimina  
uqobu.

Mina nginguwe  
futhi wena uyimi.

Ngiyimi ngoba  
thina simunye.
