Boy meets boy. Boys fall in love. Boys head to Netflix!

Boy meets boy. Boys become friends. Boys fall in love. An LGBTQ+ graphic novel about life, love, and everything that happens in between - for fans of The Art of Being Normal, Holly Bourne and Love, Simon.

'Absolutely delightful. Sweet, romantic, kind. Beautifully paced. I loved this book.'
 RAINBOW ROWELL, author of Carry on Charlie and Nick are at the same school, but they've never met ... until one day when they're made to sit together. They quickly become friends, and soon Charlie is falling hard for Nick, even though he doesn't think he has a chance. But love works in surprising ways, and Nick is more interested in Charlie than either of them realised. Heartstopper is about love, friendship, loyalty and mental illness. It encompasses all the small stories of Nick and Charlie's lives that together make up something larger, which speaks to all of us.

'The queer graphic novel we wished we had at high school.' Gay Times This is the first volume of Heartstopper, which has now been optioned for television by See-Saw Films.

- "I feel incredibly lucky to get to work with a team of passionate, creative people who all adore Heartstopper and want to make it the most beautiful show we can. It's a joy and an honour to get to re-tell Nick and Charlie's story for TV and I am so excited to share it not only with Heartstopper's existing readership, but also a whole new audience around the world." – Alice Oseman
- 'Beautifully and thoughtfully realized, this series is romantic, heartfelt and ultimately joyful.' - The Bookseller
