Illustrated by [Katlego Keokgale](#)

Rorisang and her twin brother Mo must start the school year at a new school after their mom decides that the family needs to get out of their comfort zone.

The twins have attended the school across the road since they were toddlers. All their friends are there, and their dad is best friends with the headmaster. The new school is far from their house, the extramural activities that are on offer are unfamiliar and the ones that Rorisang used to excel at in her old school is dominated by kids far better than her. Luckily Rorisang makes new friends quickly, learns to play softball and performs a praise poem at the Eisteddfod.

She even survives the long trips in the car with her pest of a brother! A heartwarming story that celebrates family and friendship and finding your voice amidst change.

Rorisang en haar tweelingbroer, Mo, moet die skooljaar by 'n nuwe skool begin nadat hulle ma besluit het dat die gesin uit hulle gemaksonde moet kom.

Die tweeling is al sedert hulle kleuters was in die skool oorkant die pad. Al hulle vriende is daar en die skoolhoof is hulle pa se beste vriend. Die nuwe skool is ver van hulle huis af en soggens sit hulle in die verkeer vas. Die buitemuurse aktiwiteite wat aangebied word, is dinge waarvan Rorisang nog nooit eens gehoor het nie, en alhoewel sy goed gevaar het in atletiek in haar ou skool, verloor sy ver teen haar nuwe klasmaats. Maar gelukkig maak sy sommer vinnig vriende, leer hoe om sagtebal te speel en neem deel aan die Eisteddfod.

Sy oorleef selfs die lang ritte in die motor saam met haar irriterende broer deur speellyste saam te speel wat in elke lid van die gesin se musieksmaak val! 'n Storie oor die belangrikheid van vriendskap en familie en om jou stem te vind te midde van verandering.

Die boek is ook beskikbaar in isiZulu en Engels.

When you dream

[Daniëlla van Heerden with Megan Werner](#)

Every great dream starts with a dreamer. Megan's dream is to build a light aircraft with other teenagers and fly it from Cape Town to Cairo. Her aim is to inspire children in other African countries to follow their dreams. In 2018 twenty inexperienced teenagers from various backgrounds were provided with hands-on experience in engineering and building an aircraft. They assembled a Sling-4 aircraft from start to finish within three weeks, under the guidance and supervision of a group of senior engineers.

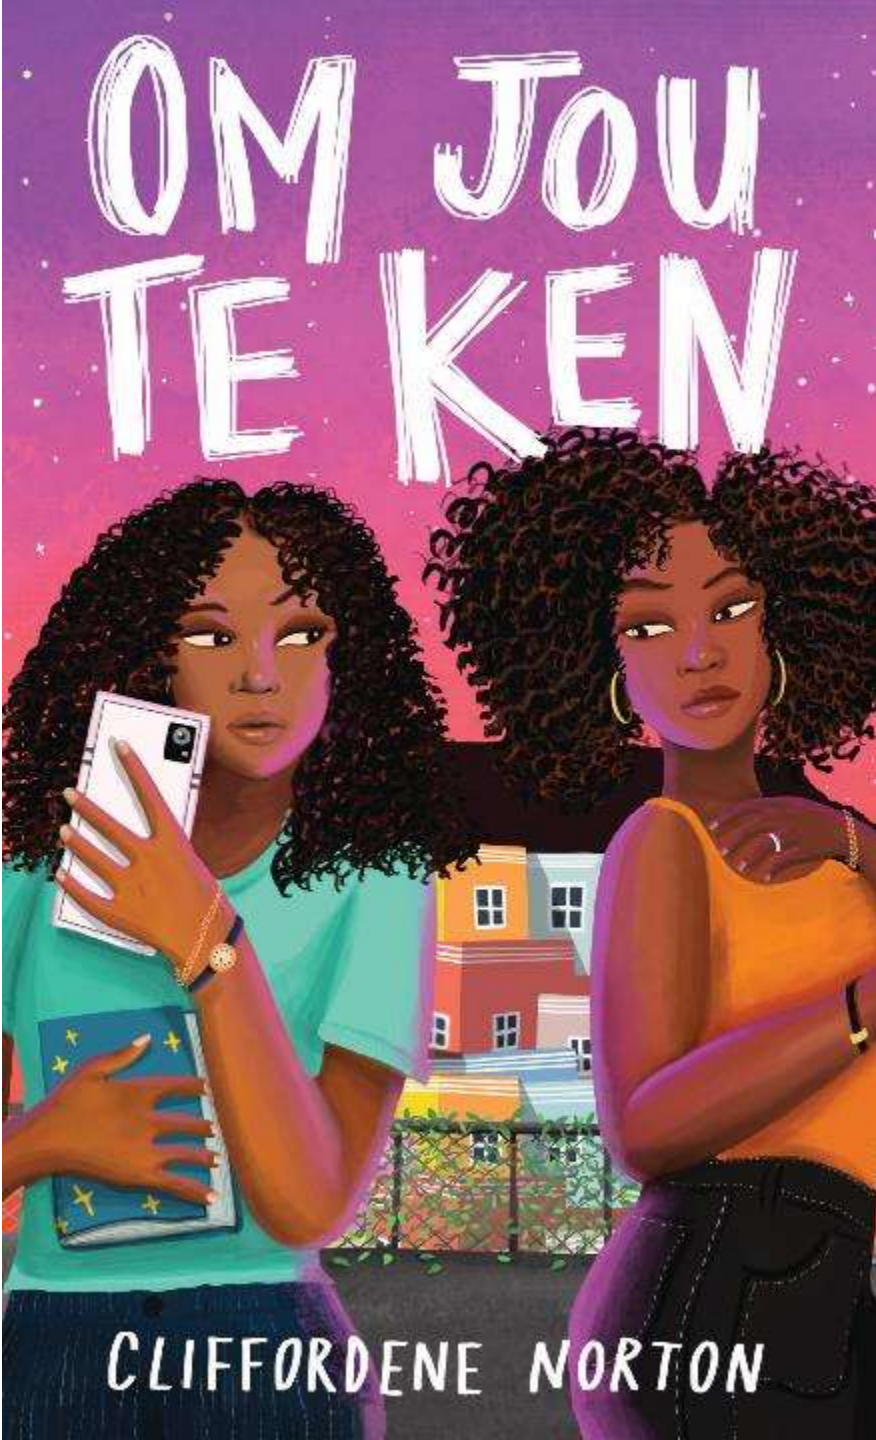

When they eventually take to the air more than a year later, 17-year-old Megan and her co-pilots undertake a journey full of adventure and nail-biting moments. They fly over war torn Sudan, in Egypt they almost land in jail and officials refuse to give them permission to fly over Kenya. But at last, the triumphant team reaches Cairo ... just for tragedy to strike a few days later while the team are on their way back to South Africa. Megan's father and his co-pilot die when their support plane crashes near Tanzania.

Megan however refuses that her dream be compromised by this tragedy. Her dad would not have wanted that. After writing her record exams, she and two of her co-pilots retrieve their plane and complete the flight back to South Africa.

When you dream is based on true events and is a story of courage, commitment, hope AND pain. An adrenaline filled adventure that might sound far-fetched ... if it wasn't for the fact that it is true.

Om jou te ken

[Cliffordene Norton](#)

Gabby en haar niggie Georgia lyk baie na mekaar met hulle krullerige hare, hoë wangbene en vol lippe, en toe hulle jonger was, was hulle onafskeidbaar. Maar iewers het hulle vreemdelinge vir mekaar geword en al wat hulle nou in gemeen het, is die bloed in hulle are.

Toe die matriekgroep van Barkley-Wes op 'n toer na Kaapstad vertrek, ontdek Gabby dat Georgia se dagboek in haar rugsak is. Hulle ma's het vir hulle identiese blou dagboeke vir Kersfees gekoop, en hulle deel 'n kamer, so dit kon maklik gebeur het dat sy die verkeerde dagboek ingepak het. Dit beteken waarskynlik ook dat háár dagboek in Georgia se besit is.

Kort voor lank kry Gabby se nuuskierigheid die oorhand en begin sy Georgia se dagboek lees. Wanneer Georgia daarvan uitvind, breek 'n volskaalse niggie-oorlog uit wat nie eens Kaapstad se besienswaardighede of hulle vriende se pogings om raad te gee, kan keer nie. Gaan Gabby se verraad die niggies nog verder uitmekaar dryf of sal dit dalk daartoe lei dat hulle mekaar beter begin verstaan?
