Highfield **Level 2** End-Point Assessment for ST0257 **Large Goods Vehicle (LGV) Driver v1.1**

£ Government funding band – **£5,000**

Gateway requirements – **apprentices must have level 1 English and math (optional for 19+, please see funding rules), must be 18 years old by the time they are ready to gain their provisional vocational licence, and must hold a valid UK driving licence**

End-point assessment method – **knowledge and behaviours test, and practical driving assessment**

Working as a large goods vehicle (LGV) driver

LGV drivers drive in a safe and fuel efficient manner, ensuring that the right products are delivered at the right time, location and temperature (if required), with the correct documentation and within the shortest lead times. They are responsible for maintaining the integrity of the load and vehicle by applying correct procedures for restraint, road, health and safety, and they may work within 1 or more subsectors, including shipping, removals, import/export, freight, hazardous goods and food.

LGV drivers communicate with a wide range of people and customers, and strive to meet customers' expectations by providing a quality service that encourages repeat business, showing drive and energy even when challenges arise.

Highfield

Your apprentice's journey

Ready for training

- Initial assessment
- English and maths training (optional for 19+, please see funding rules)
- On-programme training to meet the requirements of the standard
