- multiple-choice and short-answer test
- observation of practice
- learning journal and interview

Working in the health and social care sectors

The health and social care sectors currently employ approximately 1 in 10 of the working population in the UK. These sectors cover a range of services across many organisations within the public, private and voluntary sectors, including hospitals, hospices, nursing, care homes and many other types of provision.

Your learner's journey

Ready for training

- Initial assessment
- English and maths training (optional for 19+, please see funding rules)
- On-programme training to meet the requirements of the standard
- Gateway readiness self-assessment

Set for assessment on completion of training and functional skills

End-point assessment methods are: Multiple-choice and short-answer test

- 60-minute test consisting of 30 multiple choice and 4 short answer questions

Observation of practice

- 90 to 120-minute practical observation in the workplace
- To pass the observation of practice the apprentice must be able to meet standard's requirements

Learning journal and interview

- Minimum of 3 reflective accounts to a total of 1,000 words (+/- 10%)
- 30 to 45 minute interview to showcase the knowledge, skills and behaviour required of the standard

Go further in your career

After a period of working and gaining experience, you may be able to work towards an assistant practitioner or nursing associate post or, providing you meet the entry requirements, apply to university to become a registered healthcare practitioner.
