

## Highfield Level 3 End-Point Assessment for ST0193 Improvement Technician

### Summary of Changes Log

Document title and version number	Overview of change	Date of the change
EPA kits	The EPA kits have been updated to provide extra amplification across the KSBs for the knowledge test in both IfATE versions. The EPA kits have also been amended on pg8 in both IfATE versions to provide clarity surrounding the submission of the log and log evidence matrix at gateway.
