Working as a large goods vehicle (LGV) driver

LGV drivers drive in a safe and fuel-efficient manner, ensuring that the right products are delivered at the right time, location and temperature (if required), with the correct documentation and within the shortest lead times. They are responsible for maintaining the integrity of the load and vehicle by applying correct procedures for restraint, road, health and safety, and they may work within 1 or more subsectors, including shipping, removals, import/export, freight, hazardous goods and food.

LGV drivers communicate with a wide range of people and customers and strive to meet customers' expectations by providing a quality service that encourages repeat business, showing drive and energy even when challenges arise.
