

## Highfield Level 5 End-Point Assessment for ST0008 Leader in Adult Care

Document title and version number	Overview of change	Date of the change
EPA kit	Guidance added in to the Highfield Approach section on pg8 and the Assessing the Observation of Leadership section on pg27 to provide clarity on the timeframes to submit observation documents.	01/08/2024
EPA Kit v1.7	Guidance for the resit and retake information on pg27 has been amended, to provide clarity on how many instances apprentices can resit or retake an assessment method, so it is in line with the assessment plan. Updated the amplification on pages 15 in line with the release of the new Worker Protection (Amendments of Equality Act) Act.	19/11/2024
