

Think about Practical Observation Level 3 Senior Production Chef V1.4

On the day of this assessment you will carry out:

A 4-hour practical observation

Face-to-face

In your workplace

With an end-point assessor

Key point

Your end-point assessor will need to stop the observation if you demonstrate any unsafe practices or breaches of professional codes of conduct.

Do

- Review the criteria associated with the observation – this can be found in the EPA kit and in the planner at the end of this document
- Review relevant organisational standards and procedures
- Use the planner to plan how you will demonstrate the skills and behaviours that are associated with the practical observation
- Be prepared to answer questions at the end of the observation that will further clarify your knowledge and understanding and evidence behaviours

Don't

- Forget to plan
- Forget to bring your ID
- Forget to tell your colleagues and customers you are being observed

Next steps

- Results can take up to 7 working days to be confirmed.
- Your manager/training provider will inform you of the results.

Resits

- If you do not achieve a pass result on the practical observation you can resit the assessment.

Use the table below to plan and prepare for the observation

Standard area	Key points to remember
Monitors the efficient, safe use of kitchen tools, equipment and technology ensuring productivity and business objectives are met.	
Can supervise the production of quality food items with passion and enthusiasm while maintaining organisational/brand standards, and procedures and ensuring clients' needs are met.
