

Think about
Professional discussion underpinned
by portfolio of evidence
Level 3 ST0384 Team Leader
Supervisor v1.2

On the day of assessment, you will carry out:

A 60-minute professional discussion

Remote or face-to-face

Under exam conditions

With your end-point assessor

Key point

You will have already submitted your portfolio of evidence, however it will not be formally assessed.

Do

- Review the criteria associated with the professional discussion - this can be found in the EPA-kit
- Review relevant legislation, regulations and your organisation's policies and procedures
- Ensure a quiet room is available and that there are no interruptions
- Reflect on the work you have undertaken during your apprenticeship and use the best examples to meet the required criteria
- Be prepared to answer competency-based questions using the **STAR** method, **situation**, **task**, **action** and **result**

Don't

- Forget to plan
- Forget to tell your colleagues that you are being assessed
- Forget to use your portfolio to support your responses

Next steps

- Results can take up to 12 days to be confirmed
- Your manager will inform you of your results

Resits

- If you do not achieve a pass result on the professional discussion you can resit the assessment.

Use the table below to plan and prepare for the professional discussion
