

**Think about
Project presentation
Level 3 Business Administrator
v1.0**

On the day of assessment, you will carry out:

A 10-15 minute presentation and 10-15 minute Q&A

Remote or face-to-face

Suitable assessment environment

With an end-point assessor

Key point

You will have already submitted your project and will have been provided with a question to address during your presentation.

Do

- Review the criteria associated with the project presentation - this can be found in the EPA kit
- Ensure a quiet room is available and that there are no interruptions
Take advantage of the full 15 minutes of the presentation
- Ensure that you focus on the question you have been asked to address/answer during your presentation
- Give clear, in-depth answers to questions that reflect the required knowledge, skills and behaviours of the standard

Don't

- Forget to plan
- Forget to attempt to meet at least 50% of the criteria that can be covered either in the project presentation or the portfolio-based interview as identified in the EPA kit
- Forget to check that any equipment required is available and working
- Exceed the 15 minutes allocated for your presentation

Next steps

- Results can take up to 7 days to be confirmed
- Your manager will inform you of your results

Resits

- If you do not achieve a pass result on the project presentation, you can resit the assessment
