Highfield Assessment

ථ**)** Do

6	
	Review the criteria associated with the practical observation - this can be found in the EPA kit
	Discuss the activities you need to demonstrate with your manager
\Box	Use the planner to plan how you will demonstrate the skills
	you have that are associated with the practical observation
	Review relevant legislations, regulations and your organisation's
	policies and procedures
\Box	Ensure a quiet room is available for the duration of the assessment
l}) Don't
	Forget to bring your ID
	Forget to tell your colleagues you are being assessed
	and identify those who can assist you during the observation
	Forget to obtain consent from patients who are present
	while you are being observed
	Panic if a planned activity cannot go ahead, you can identify
	another activity to be observed
