

Highfield Level 3 End-Point Assessment for ST0550 Safety, Health and Environment (SHE) Technician

Mock Assessment Materials – Professional Discussion underpinned by Portfolio of Evidence

The following pages contain documentation that may be used for employer/training providers to carry out ‘mock’ assessments for the Professional Discussion underpinned by Portfolio of Evidence.

Research and Best Practice		
Ref	Assessment Criteria (Pass)	Achieved
R1	Explains how they use research relating to safety, health and environmental issues from trusted sources to drive forward innovation and how they apply their own ongoing professional development to improve systems or processes	
Ref	Assessment Criteria (Distinction)	Achieved
R2	Justifies research and selection criteria for application in the workplace to improve systems or processes	

Inspections and Investigations		
Ref	Assessment Criteria (Pass)	Achieved
I3	Describes how they can assist in an incident investigation and implement SHE inspection and monitoring systems	
I4	Explains how they ensure manufacturer’s instructions for the safe use of products is cascaded to colleagues	

I5	Describes how they would monitor and analyse SHE performance, whilst ensuring all records are prepared and maintained in accordance with legislation and accessible to all authorised parties	
Ref	Assessment Criteria (Distinction)	Achieved
I6	Explains how they would lead an incident investigation and their justification for embedding the lessons learnt	
I7	Explains the need for different types of SHE inspections and monitoring systems	

Stakeholder Engagement and Signposting		
Ref	Assessment Criteria (Pass)	Achieved
S1	Explains how they assist the management team in establishing, managing or maintaining relationships with external stakeholders, internal departments and use their professional judgement to recognise situations where the activity will benefit from contributions and expertise of other internal departments and signpost to a more relevant third party internally	
Ref	Assessment Criteria (Distinction)	Achieved
S2	Justifies their professional judgement to recognise situations where the activity will benefit from contributions and expertise of other internal departments	

Ethics		
Ref	Assessment Criteria (Pass)	Achieved
E1	Describes the moral reasons for implementing SHE practices and explains how they apply the code of ethics to ensure they uphold safe working practices at all times
