

Paper Code: M-EPA-LGVCE2004

Level 2

# Large Goods Vehicle (LGV) Driver C+E Mock EPA Multiple-choice Test

## Information for registered centres

The seal on this examination paper must only be broken by the candidate at the time of the examination. Under no circumstances should a candidate use an unsealed examination paper.

## Information for candidates

**Under no circumstances should you, the candidate, use an unsealed examination paper.**

This examination consists of **30 multiple-choice** questions.

The exam is worth **30 marks**, with a Pass being **21 marks**, and Distinction **27 marks**.

The duration of this examination is **45 minutes**.

You are **NOT** allowed any assistance to complete the answers.

You must use a pencil to complete the answer sheet - pens must **NOT** be used.

When completed, please leave the **examination answer sheet (EAS)** on the desk.

### EXAMINATION ANSWER SHEET (EAS) INSTRUCTIONS:

For each question, fill in **ONE** answer **ONLY**.

If you make a mistake, ensure you erase it thoroughly.

You must mark your choice of answer by shading in **ONE** answer circle only.

Please mark each choice like this:

01  A  B  C  D **ANSWER COMPLETED CORRECTLY**

**Examples of how NOT to mark your examination answer sheet (EAS). These will not be recorded.**

01  A  B  C  D **DO NOT** partially shade the answer circle  
**ANSWER COMPLETED INCORRECTLY**

01  A  B  C  D **DO NOT** use ticks or crosses  
**ANSWER COMPLETED INCORRECTLY**

01  A  B  C  D **DO NOT** use circles  
**ANSWER COMPLETED INCORRECTLY**

01  A  B  C  D **DO NOT** shade over more than one answer circle  
**ANSWER COMPLETED INCORRECTLY**

All candidates **MUST** sign the Examination Answer Sheet (EAS) in the bottom right-hand corner of the page before leaving the examination room.

1

What is the **maximum** period a driver can continuously drive for before a mandatory rest is required by law?

- A. 1.5 hours
- B. 3 hours
- C. 4.5 hours
- D. 6 hours

2

A driver is using satellite navigation and it loses signal. What is the appropriate action to take?

- A. Carry on driving and rely on memory
- B. Continue to drive and hope it starts working
- C. Pull over and wait for it to start working
- D. Stop in a safe place and contact the depot

3

What does the Driving and Vehicle Standards Agency (DVSA) use to assess the risk level of an LGV driver?

- A. Driver penalty points system
- B. Operator Compliance Risk Score (OCRS)
- C. Real Driving Emissions (RDE)
- D. Road risk management system

4

What type of cargo **must** be transported under temperature-controlled conditions?

- A. Construction materials
- B. Household appliances
- C. Non-perishable goods
- D. Perishable goods

5

The London Lorry Control Scheme (LLCS) applies to vehicles with a maximum gross weight over:

- A. 14 tonnes
- B. 16 tonnes
- C. 18 tonnes
- D. 20 tonnes

6

Which of the following is a benefit of adaptive braking in LGVs?

- A. It allows the driver to concentrate less, reducing tiredness
- B. It automatically adjusts braking power, increasing safety
- C. It eliminates the need for manual braking, increasing efficiency
- D. It reduces the need for regular brake checks, reducing costs

7

When does the two-second rule apply?

- A. When emerging from a side road to a main road
- B. When keeping a safe distance from the vehicle in front
- C. When starting an engine after it has stalled
- D. When using the mirror, signal, manoeuvre routine

8

Which of the following is a **key** consideration when choosing a place to park?

- A. It is a quiet and unoccupied area
- B. It is a safe and legal location
- C. It is close to the final destination
- D. It is near to a petrol station

9

Which of the following is the safest way to operate a tail lift?

- A. Stand behind the load to push it onto the lift once ready
- B. Stand in front of the lift and keep the engine running
- C. Stand on the lift to judge how high or low it needs to be
- D. Stand out of the way of the lift and ensure the area is clear

10

To help to combat theft, a driver's vehicle should have:

- A. a dash cam
- B. air horns
- C. roof markings
- D. tinted windows

11

When a large goods vehicle (LGV) driver reaches the age of 45, they **must** submit a medical examination report every:

- A. 2 years
- B. 3 years
- C. 4 years
- D. 5 years

12
