Training Provider	

#### **Portfolio of evidence**

It is a requirement of this assessment plan that a portfolio of evidence is submitted at Gateway to support the professional discussion. This is not assessed. Please see the EPA-kit for more information on the requirements for the portfolio of evidence.

Please indicate below which piece of evidence is mapped to each KSB covered in the professional discussion. Please use the same reference as the file name to ensure the correct piece of evidence can be located.

KSB	Evidence reference	Evidence location
K5 Local and national child protection and safeguarding policies and procedures in practice, identifying when a child is at risk, and how to challenge in order to protect them. This includes understanding the role of the designated lead for safeguarding and assimilating findings of serious case reviews. (EILG1, EILG6)		
K6 Theories of self-regulation, resilience and well-being and the impact of adverse early childhood experiences. (DHW1, DWH5)
