

Summary of Changes Log

Document title and version number	Overview of change	Date of the change
L3 Cabin Crew EPA Kit was v2.3 is now v2.4	Criteria CO1, CO2, CO3 and CO4 have been asterisked alongside IF7 and IF8 to indicate areas where Armed Forces learners cannot be assessed and as such a dispensation applies. This dispensation has been added to the Highfield approach section, as well as an NB added underneath the 'In-flight' and 'Commerciality' assessment themes.	10/06/2024
