

**Think about**  
**Professional discussion**  
**Level 2 ST0908**  
**Aviation Ground Handler v1.0**

**On the day of assessment, you will carry out:**

**A 60-minute professional discussion**

**Remote or face-to-face**

**Under exam conditions**

**With an end-point assessor**

**Key point**

You will be required to answer questions relating to aviation specialist equipment, regulatory requirements, compliance, teamwork and communication.

## Do

Review the criteria associated with the professional discussion – this can be found in the EPA kit

Ensure a quiet room is available and that there are no interruptions or distractions

Be prepared to answer questions that demonstrate your competence and focus on the required areas.

Reflect on your on-programme learning and experience

## Don't

Forget to plan

Forget to tell your colleagues that you are being assessed

Forget to bring your ID

## Next steps

- Results can take up to 7 working days to be confirmed
- Your manager/training provider will inform you of the results

## Resits

- If you do not achieve a pass result on the professional discussion, you can resit the assessment

## Use the table below to plan and prepare for the professional discussion
