Overview of the standard

This occupation is found in the public, private and voluntary sectors in national and multinational organisations. The role of the learning and skills mentor can be found in all sectors where training and development is required. For example, but not limited to, healthcare, military, manufacturing, production, business and professional, education, leisure, construction, creative, technology. The purpose of the learning and skills mentor occupation is to support individuals and groups with their learning and development towards agreed goals. They will do this by working within ethical and legal frameworks to ensure a high standard of mentoring practice. They will work collaboratively with stakeholders to inclusively meet the individual needs of the mentee. They will be committed to their own professional development and reflective practice as a mentor and within their sector.

The programme's structure

Your apprentice will be placed in a role for a minimum of 12 months during which they will be supported while on-programme by their tutor. Their tutor will review the progress of the apprentice during the 12 months against the standard to ensure they are prepared for the end-point assessment.

Your apprentice's journey
