Highfield Level 3 End-Point Assessment for ST0217 Senior Healthcare Support Worker

Mock Assessment Materials – Maternity Support

Professional Discussion Underpinned by a Portfolio of Evidence

Promote health and wellbeing			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
PHW1	Explains how they have supported an individual to make informed and positive lifestyle choices in line with national and local definitions of health and wellbeing and the public health priorities, including considering ways of reducing inequalities (K5, S5)		
PHW2	Describes how they have actively sought an opportunity to support an individual to maximise their health, taking into account the availability of services and how to make a referral if required (K6, S6)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
PHW3	*Compares and contrasts ways in which they have worked to reduce inequalities and support an individual to make informed positive lifestyle choices (K5, S5)*		

Continuing professional development and reflective practice			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
CPD1	Undertakes continuing personal and professional development activities and contributes to the training and development of others showing they are adaptable, reliable and consistent (K18, S18, B3)		
CPD2	Outlines how they have participated in the local arrangements for appraisal of performance (K19, S19)		
CPD3	Applies the principles of reflective practice to reflect on and develop their own practice (K20, S20)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
CPD4	*Analyses the impact of training and development activities on themselves and others (K18, S18)*		

Highfield Assessment®

Risk management			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
RM1	Summarises the meaning of 'risk' in the workplace giving evidence that they would take the correct action if they identified a 'risk' (K15, S15)		
RM2	Describes how they meet the requirements for providing basic life support, showing an understanding of the techniques and principles required (K16, S16)		
RM3	Explains a time when they have recognised and responded to a potential conflict, challenging behaviour or escalating situation giving context to the description by describing common causes of conflict and the correct ways to respond to them (K17, S17)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
RM4	*Evaluates their organisation's approach to 'risk' in the workplace (K15, S15)*		

Quality improvement			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
QI1	Describes the quality improvement principles, measures and activities used in their workplace, explaining how they have taken part in an activity and supported others to do the same (K23, S23)		
QI2	Explains how they have sourced and used a piece of evidence to validate and improve the delivery of care and support within their own scope of practice identifying the principles of investigatory techniques, research and evidence-based practice that they used (K24, S24)		
QI3	Explains how they have critically appraised a source of information and applied their findings to practice describing the principles of critical thinking and the methods of critical appraisal that they used (K25, S25)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
QI4	*Analyses how they have interpreted evidence and used their findings to inform suggestions for improving practice (K24, S24)*		

Teamwork, role modelling and leadership			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
TRL1	Describes the scope of their role in relation to leadership, examining their own leadership style and giving an example of when they have acted as a role model for someone else (K26, S26)		
TRL2	Explains the scope of their own role in relation to mentoring and supervision, explaining the relationship and differences between leadership, management, supervision and mentoring and giving an example of when they have taken a leadership role (K27, S27)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
TRL3	*Compares and contrasts examples of when they have led, managed, supervised or mentored another person, explaining how their role is different in each example (K27, S27)*		

Option 2: Maternity support Delegated maternity care and support for women, babies and their families			
Ref	**Assessment Criteria (Pass)**	**Achieved**	**Not Achieved**
MAT7	Describes a time when they have provided care and support for an individual or their family during the end-of-life phase, exploring the factors which impacted on the care and support given (K33, S33)		
MAT8	Explains the local systems for discharge and transfer of individuals between services, giving an example of when they have contributed to signposting an individual to a relevant agency or service and explaining the availability of services and agencies offered by the wider health and social care system (K34, S34)		
MAT9	Describes how they have recognised and responded to a deterioration in the physical, mental health and wellbeing of an individual, sequencing the signs and symptoms that indicated the deterioration (K35, S35)		
MAT10	Explains how they have supported the personal care of a woman with a urethral catheter describing how they have monitored it regularly and correctly (K40, S40)		
MAT11	Explains how they have identified the baby and the woman, explaining how and why they provided a wristband or label in line with local security procedures (K41, S41)		
MAT12	Describes how they support parents and carers to meet the developmental, nutritional and hygiene needs of babies, explaining the benefits of different feeding methods and the importance of skin-to-skin contact in bonding (K43, S43)		

Ref		Achieved	Not Achieved
MAT13	Describes how they worked in partnership with a family or another support service to support individuals in difficult circumstances, bereavement or loss explaining the availability of services and how to access them (K44, S44)		
MAT14	Describes a time when they have supported the midwife and others in the team during an emergency situation during the pregnancy, labour, birth or postnatal period explaining the situation and the scope of their own role (K45, S45)		
Ref	**Assessment Criteria (Distinction)**	**Achieved**	**Not Achieved**
MAT15	*Analyses the actions they took in response to the signs and symptoms that indicate a deterioration in the physical, mental health and wellbeing of an individual, explaining their responsibilities and limits of their competence (K35, S35)*
