Think about Observation with questions Level 2 Professional Security Operative V1.0 – Mobile security patrol operative

On the day of this assessment you will carry out:

A 2-hour observation with questions

Face-to-face

In your natural working environment

With an end-point assessor

Key point

Your end-point assessor will have reviewed any relevant organisational policies and procedures prior to your observation.

Next steps

- Results can take up to 7 working days to be confirmed
 - Your manager or training provider will inform you of the results

Resits

 If you do not achieve a pass result on the observation with questions, you can resit the assessment

Use the table below to plan and prepare for the observation with questions.

- (P) indicates pass criteria
- (D) indicates distinction criteria

Assessment criteria	Key points to remember
Communication and customer service	
(P) Communicate respectfully with stakeholders using verbal and non-verbal means to establish a rapport and deliver customer service	
(P) Act responsibly to diffuse potential conflict situations by communicating in a calm and professional manner with others in a way that reflects the organisation's values	
(D) Adapt your language and behaviour, in a calm and professional manner, in response to individual needs to exceed stakeholder expectations	

Security technology and equipment

(P) In line with organisational procedures, use security systems, applications, and technology to support security operations, and identify faults with equipment taking remedial action where necessary

Legislation, regulation and procedures (pathway)

(P) Complete basic maintenance and vehicle checks on mobile security vehicles, before identifying locations on maps, and routes to destinations using mapping equipment in the vehicle in line with legislation and manufacturer instructions

Security patrol, access, and searching (pathway)

(P) Apply a range of searching techniques, and adapt your searching methodology where necessary, in line with organisational procedures

(P) In line with organisational procedure, conduct patrols of assigned areas to control access to the area, responding to unwanted activities. Communicate report findings following patrols, in line with operational instructions
