Observation of practice

Level 3 ST0217 Senior Healthcare Support Worker- Maternity Support V1.2 (AP02 09/18)

On the day of this assessment you will carry out:

A 120-minute observation (+/-10%) followed by a 10-minute question and answer session (+/-10%)

Remote or face-to-face

In your workplace

With an end-point assessor

Key point

Your end-point assessor will need to stop the observation if you demonstrate any unsafe practices or breaches of professional codes of conduct.

- Review the criteria associated with the observation of practice- this can be found in the EPA Kit and in the table at the end of this document
- Review relevant legislations, regulations and your organisation's policies and procedures
- Ensure a quiet room is available and that there are no interruptions
- Be prepared to answer any questions that your assessor may ask

Don't

- Forget to bring your ID
- Forget to plan
- Forget to tell your colleagues and to obtain consent from patients who are present while you are being observed

Next steps

- · Results can take up to 7 working days to be confirmed
- Your manager or training provider will inform you of the results

Resits

 If you do not achieve a pass result on the observation of practice you can resit the assessment
