## Project and presentation ST0201
Level 3 Supply Chain Practitioner
(Fast Moving Consumer Goods) V1.1

On the day of assessment, you will carry out:

- Typically a 15-minute presentation and a 30-minute questioning session (45 minutes total)

- Remote or face-to-face

- In a suitable assessment environment, free from distraction or influence

- With an end-point assessor

🔑 Key point

You will have already submitted your 3,000 word project report and any presentation materials by the end of week 10 of your EPA.

Do

- [ ] Review the criteria associated with the project and presentation - this can be found in the EPA Kit and in the table at the end of this document

- [ ] Review relevant legislation, regulations and your organisation's policies and procedures

- [ ] Ensure a quiet room is available and that there are no interruptions

- [ ] Be prepared to answer at least 6 questions and any follow-up questions that your assessor may ask

Don't

- [ ] Forget to bring your ID

- [ ] Forget to plan

Next steps

- Results can take up to 7 working days to be confirmed
- Your manager/training provider will inform you of the results

Resits

- If you do not achieve a pass result on the project and presentation, you can resit the assessment

Use the table below to plan and prepare for the project and presentation.

(P) indicates pass criteria
