Portfolio of evidence

It is a requirement of this assessment plan that a portfolio of evidence is submitted at Gateway to support the professional discussion. This is not assessed. Please see the EPA-kit for more information on the requirements for the portfolio of evidence.

Please indicate below which piece of evidence is mapped to each KSB covered in the professional discussion. Please use the same reference as the file name to ensure the correct piece of evidence can be located.

KSB	Evidence reference	Evidence location
CP1 Describe the indicators of good physical and mental health for the demographic group they work with and can describe a time where they have provided brief opportunistic advice on health and wellbeing		
CP2 Describe a time when they noted a deterioration in an individual in their care and the actions they took		
CP3 Explain their responsibilities in relation to safeguarding and what action they would take if they suspect abuse		
CP4 Explain the principles of equality, diversity and inclusion and can describe how discrimination occurs		

CP5 Explain the meaning of person-centred care and how they apply this to their work to ensure a good experience for the individual		
CP6 Explain the meaning of 'clinical effectiveness' and describe a time where they have challenged practice in the place of work		
CP7 Maintain patient confidentiality throughout the professional discussion		
CP8 Describe how they have used feedback to develop their own skills and performance		
CP9 Explain the meaning of 'risk' and 'risk assessment' and how they use risk assessment in their work to operate safely		
CP10 Describe how they have been proactive in their own development and can discuss two examples of how they have used reflection to have a positive impact on their work		
CP11 Describe how they have acted as a role model to others and can discuss two examples of where they have mentored others within the scope and boundaries of their practice		
CP12 Discuss how they interact with other professionals including describing how they work to best practice		
CP13 Discuss an example of when they have demonstrated supervisory leadership in their place of work		
VP1 You will be caring and compassionate, honest, conscientious and committed		
BP1 Have the courage to challenge areas of concern and work to best practice		
BP2 Be adaptable, reliable and consistent		
BP3 Show resilience and self-awareness		
BP4 Show supervisory leadership		
MATP1 Describe the signs of mental ill health in relation to pregnancy, labour, delivery or parenthood and can give an example from their practice to describe how they responded to signs of deterioration in mental health		
MATP2 Explain how to prepare for instrumental deliveries and describe how they support the delivery team during an instrumental delivery		

MATP3 Describe how they assist other practitioners with ultrasound scans		
MATP4 Discuss their role in postnatal health education, drawing on examples from their practice where they have been teaching parents to care for their baby		

Apprentice Declaration

I confirm that the evidence contained in this portfolio of evidence is all my own work and any assistance given and/or sources used have been acknowledged.

Signed by apprentice (name)	Signature	Date

Employer Declaration

I confirm that the portfolio of evidence is valid and attributable to the apprentice.

Signed on behalf of employer (name)	Signature	Date
