

**Think about
Professional Discussion
Level 4 Aviation Operations
Manager – Passenger Operations
V1.1**

On the day of this assessment you will carry out:

A 120-minute professional discussion

Remote or face-to-face

In a suitable controlled environment free from distraction

With an end-point assessor and your line manager (optional)

Key point

Your employer may be present to support you and confirm information but will not be able to take part in the discussion.

Do

- Review the criteria associated with the professional discussion - this can be found in the EPA Kit and in the table at the end of this document
- Have a copy of your log of professional competence and any notes available to support the discussion
- Review relevant legislation, regulations and your organisation's policies and procedures
- Make sure you have a quiet room available
- Inform your colleagues about the assessment and remind them that you can't be disturbed or interrupted
- Reflect on your personal development throughout your apprenticeship

Don't

- Forget to bring your ID
- Forget to plan
- Forget to reflect on your behaviours
- Forget to relax and enjoy your assessment

Next steps

- Results can take up to 7 working days to be confirmed
- Your manager or training provider will inform you of the results

Resits

- If you do not achieve a pass result on the professional discussion, you can resit the assessment

Use the table below to plan and prepare for the interview.

(P) indicates pass criteria

Assessment criteria	Key points to remember
Safety	
(P) Manage safety within their area of responsibility, ensuring staff are compliant with safety requirements in aviation environments	
Security	
(P) Manage aviation security in their own area of operations, ensuring team members follow organisational procedures and that accurate reporting and recording of information is completed	

Assessment criteria

Key points to remember

Compliance and legislation

(P) Manage compliance with legislation, aviation procedures and regulations within own area of responsibility

Airport operations

(P) Manage their own area of responsibility to meet the needs of the wider organisation, ensuring that the needs of the site, customers, visitors and service users are met in adherence to business operational procedures and requirements

Staff performance

(P) Effectively manage all aspects of own staff's performance, including:

- recruitment
- performance reviews
- learning and development
- discipline
- grievance
- industrial relations

Assessment criteria	Key points to remember
Behaviours
