

Think about
Professional Discussion
Level 2 Aviation Ground
Handler AP01

On the day of assessment, you will carry out:

A 60-minute professional discussion

Remote or face-to-face

Under exam conditions

With an end-point assessor and your employer
(optional)

Key point

You will be required to answer questions relating to aviation specialist equipment, regulatory requirements, compliance, teamwork and communication.

Do

- Review the criteria associated with the professional discussion – this can be found in the EPA kit
- Ensure a quiet room is available and that there are no interruptions or distractions
- Be prepared to answer questions that demonstrate your competence and focus on the required areas.
- Reflect on your on-programme learning and experience

Don't

- Forget to plan
- Forget to tell your colleagues that you are being assessed
- Forget to bring your ID

Next steps

- Results can take up to 12 working days to be confirmed
- Your manager/training provider will inform you of the results

Resits

- If you do not achieve a pass result on the professional discussion, you can resit the assessment

Use the table below to plan and prepare for the professional discussion
