

M-EPA-SCOTO2002 – Exemplar Answers

This document contains exemplar answers that show the level of depth and breadth required to answer each of the questions to gain full marks in the mock test. As a rule, learners should provide one key point for each mark required within the question.

Important information for Centres:

- A mark scheme for an open-response exam is kept under constant review and is updated by the chief examiner as and when markers find alternative acceptable answers that should be included
 - For all questions, alternative correct answers will be accepted and awarded marks
-
