Highfield Level 2 End-point Assessment for ST0103 Express Delivery Operative

Mock Assessment Grid Role Simulation & Professional Discussion

Not every aspect of the assessment criteria can be tested in each individual role simulation scenario. Some assessment criteria are only assessed in certain scenarios.

TO12, TO14 and CT2 are only assessed in Role Simulation Scenario 1.

TO21 is only assessed in Role Simulation Scenario 3.

FT3 is only assessed in Role Simulation Scenario 4.

The apprentice only needs to meet the criteria associated with the scenario they have been allocated. Criteria from the allocated scenario can be carried over to the professional discussion if necessary.

Role Simulation

- In order to achieve a Pass: all pass criteria must be met
- In order to achieve a Distinction: all pass and distinction criteria must be met
- Unsuccessful apprentices will have not met the minimum requirements

Professional Discussion

- In order to achieve a **Pass**: all pass criteria must be met
- In order to achieve a Distinction: all pass and distinction criteria must be met
