

Summary of Changes Log

Document title and version number	Overview of change	Date of the change
L4 Associate Project Manager (IfATE v1.3) EPA Kit v1.7 is now v1.8	<p>A temporary dispensation has been applied to the v1.3 assessment plan for this standard. We have added the details of the dispensation to the ‘Highfield Approach’ section of the EPA Kit.</p> <p><i>“The dispensation will last from 19/04/2024 to 31/10/2024 but may be withdrawn if the dispensation is no longer necessary”</i></p> <p>The dispensation allows for any apprentice who is ready for Gateway that has attempted but not yet passed their Project Management Qualification to be permitted to enter Gateway and proceed to their EPA. These apprentices can sit their EPA and pass their apprenticeship without having attained the PMQ.</p>	26/04/2024
L4 Associate Project Manager (IfATE v1.3) Gateway Readiness Report v3.1 is now v3.2	<p>A box has been added to the Gateway Readiness Report in line with the dispensation that has been applied to this standard. Training providers are now asked whether their apprentice has been booked in for their Project Management Qualification (PMQ). This is in line with the dispensation:</p> <p><i>“Training Providers must provide written evidence at Gateway that apprentices have been booked in for their PMQ exam/resit before they move forward with the EPA.”</i></p>	30/04/2024
