

# PPG Community Engagement In 2018: Making Communities Brighter...And Better.

A commitment to protect and beautify the world colors our every move in communities worldwide. We're proud of the impact we've made, and look forward to continuing our mission in the future.

## People Power

**24 Charity Partners** across Europe, the Middle East and Africa received more than **\$160,000** in support from PPG and our employees.

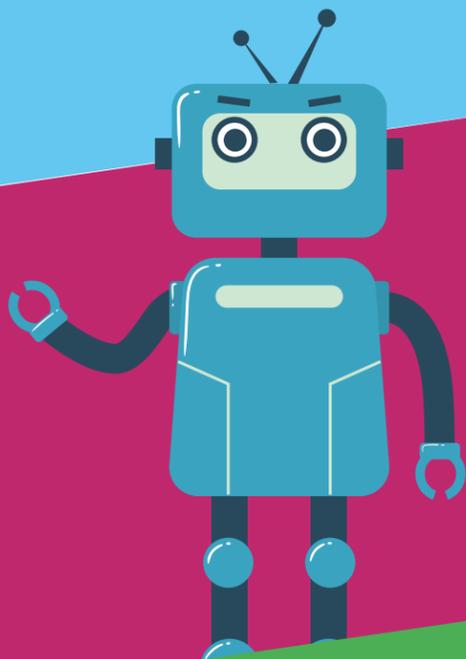

**\$75,500** provided through our volunteer grants in the U.S.

More than **\$770,000** provided through employee matching gifts program in the U.S. and Canada.

## Sustainable Communities

From playgrounds to classrooms, we completed **70 COLORFUL COMMUNITIES™** projects, impacting nearly **700,000** people in our communities.

PPG invested **\$3.9 million** globally in Science, Technology, Engineering and Mathematics (STEM) education to help encourage ambitious minds.

## Brighter Futures

## Community Commitment

PPG and our PPG Foundation invested more than **\$9 million** in communities in **28 countries** in 2018.
