

Online Color Formula Retrieval

How to Save Custom Formulas

The Online Color Formula Retrieval System allows users to save their company's custom formulas to an online database for easy retrieval.*

To Add Formulas

1. Click "Add My Company Formulas".

Color Search

Search Type: MP # Color System Corporate Color System

Company Name: ASI SIGN SYSTEMS (GRINNELL)

MP Number:

2. Enter formula number (alphanumeric) in "Customer Formula Number (CFN)" field.
3. Enter the color description in the "Color Name" field.
4. Select the "Product Line".**
5. Enter "Intermediate" code and "Amount", tabbing between columns. The "Description" will populate, based on code entered.
6. Click "Save" to add formula(s) to your company's online database.

Add My Company Formulas

Company Name: ASI SIGN SYSTEMS (GRINNELL, IA)

Customer Formula Number (CFN): ASI-54545

Color Name: WRONGWAY ORANGE

Product Line: SOA

Delete	Intermediate	Description	Amount (Grams)
<input type="checkbox"/>	202		

This is a Customer created formula and is being stored on the Matthews Paint Online Color system for easier access for our customer. Only those who are linked to this Customer can access this formula.

* Only registered users assigned to your company will be able to access your formulas.

** The product line selection is determined by the product lines your company has access to. To change this selection, contact customer service at 1-800-323-6593.
