

Did you know PPG DELFLEET® Evolution coatings are eligible for most Class 8 OEM warranty repairs?

You decide the paint, not the OEM

Similar to your personal car or truck, you have a right to choose the products used when your commercial vehicles are refinished for warranty repairs. For the past 20 years, PPG *Delfleet* Evolution coatings have been used successfully in warranty repairs for PACCAR® (Kenworth®/Peterbilt®), Daimler Truck North America (Freightliner®/Western Star®), Volvo®, Mack®, International® and Hino® dealer locations across the U.S. and Canada to meet stringent color match and performance requirements.

Painter-friendly system for our best performance and durability

PPG-certified *Delfleet* Evolution application training programs available

Over 30,000 Class 8 OEM colors matched and on file

Robust, on-demand color matching, including variants

Dependable global manufacturing network with local inventory management and delivery

World-class technical, application and sales support

We offer OEM-approved warranty repair products for medium- and heavy-duty trucks ranging from Class 3 through Class 8. Ask your representative for details.

⚠ WARNING: Certain products listed may contain chemicals known to the State of California to cause cancer and/or reproductive harm. For more information go to P65Warnings.ca.gov.
