ONECHOICE® products are covered under the PPG Lifetime Limited Paint Performance Guarantee ONLY when they are used in conjunction with other PPG certified products.

The products on this list must be mixed and applied according to the current product information sheet instructions. No substitutions for reducers/thinners, catalysts/hardener, or additives may be used. Mix ratios and application instructions must be followed to ensure the product meets program standards. Deviating from the product information sheet instructions voids the PPG Lifetime Limited Paint Performance Guarantee.

PPG automotive refinish reserves the right to remove or add products to this list at any time; visit the *Envirobase* High Performance product page on ppgrefinish.com. To meet local air quality legislation, certain products may only be available on a regional basis.
