A NOTE FROM THE PUBLISHER

Hello and welcome,
I am delighted to introduce our 2025 programme as the new Managing Director of Macmillan Children's Books.

From well-established brands and partnerships releasing new and exciting books, to up-and-coming stars in the making, we have a varied and vibrant portfolio that represents the very best in children's publishing.

To begin we are thrilled to welcome Liz Pichon, creator of the bestselling Tom Gates series, to Macmillan Children's Books. In her new fully illustrated series The Mubbles, Liz has created an all-singing, all-dancing world for children aged 5+ years to enjoy. We will publish the first title in this fantastic and colourful new graphic novel series, *Meet the Mubbles*, in March.

Liz joins a stellar line-up on the fiction list alongside Andy Griffiths and John Patrick Green, whose bestselling illustrated series continue to build and build, and also Frank Cottrell-Boyce who has been crowned the Children's Laureate 2024–2026. His new book *The Blockbusters!*, illustrated by Steven Lenton, will be published this spring ahead of reissues of some of his classic backlist titles.

M. G. Leonard, bestselling author of the Adventures on Trains series returns with a new middle-grade series Time Keys, where epic adventure meets the mystery of time travel. The first book, *Hunt for the Golden Scarab*, takes young readers to ancient Egypt and will have them gripped from the very first pages.

Two other standout titles in middle grade coming in the first half of this year are *Vanya and the Wild Hunt* by Sangu Mandanna and *Land of the Last Wildcat* by debut author Lui Sit.

First Ink is now the home of YA at Macmillan Children's Books, and we've got an incredible programme for 2025. *The Romantic Tragedies of a Drama King* is actor and comedian Harry Trevaldwyn's laugh-out-loud debut novel that follows the escapades of Patch Simmons, the funniest character in YA since Georgia Nicolson. Elle McNicoll returns in June with *Wish You Were Her*, an inclusive, feel-good romance that readers will fall for. And if it's high-stakes fantasy you're looking for, watch out for *The Sleepless* by Jen Williams and *The Beasts We Bury* by D. L. Taylor.

Over in non-fiction, we have the inspirational and motivational first book from everyone's favourite Gladiator, Jodie Ounsley, also known as Fury. *Keep Smashing It!* is full of stories from Jodie's life, helpful advice and top tips that will inspire readers to believe in themselves.

For the very young, we have a wonderful new novelty board book series from early years book expert Camilla Reid, starting with *Is Dot in the House?* A hide-and-peek book with sliding mechanisms and a surprise mirror ending! We are thrilled to welcome back the award-winning illustrator and creator of *Animalphabet*, Sharon King-Chai, with a spectacular and unique new series called Mirror Magic, that features mirrored boards on every page overlaid with beautiful illustrations.

Two Hoots have snapped up a charming new picture book written by Quentin Blake called *Liliana the Strong*, illustrated by Emma Chichester Clark and we're delighted that Pam Ayres will return with the third book in the Animal Stories series: *I Am Emily the Owl*, illustrated by Nicola O'Byrne.

2025 is a big year for anniversaries here at Macmillan Children's Books: Alice in Wonderland celebrates 160 years; classic series Milly-Molly-Mandy by Joyce Lankester Brisley reaches its centenary; and the beloved Moomins are turning eighty.

But the best of them all is Julia Donaldson and Axel Scheffler's Tales from Acorn Wood series which celebrates its 25th birthday this year! We have two brand new titles that children are going to love: *Who's in Acorn Wood?* is our World Book Day title for 2025 featuring everyone's favourite woodland creatures, and *Hare's New Dress* is the eleventh Acorn Wood title, where preschoolers can join Hare and her friends at a party. We will have a huge campaign to support this milestone including lots of display materials for bookshops and libraries throughout the year.

Last, but definitely not least, we're very happy to announce that Julia Donaldson and Sarah Ogilvie have teamed up for the third time to create another bestseller in the making, *Gozzle*. An unsuspecting bear finds himself a father of a rather determined little gosling in this joyful and heartwarming picture book.

I hope that you enjoy finding out more about these brilliant new titles in the highlights section of this catalogue and that in browsing our wonderful backlist you also find something to inspire and delight readers of all ages.

If there is something specific you are looking for, head to the Key Themes section at the back of the catalogue, where titles are listed by theme.

Lydia Monks brings to life the six queens of Henry VIII in spectacular, fully-illustrated style, including a foreword from renowned Tudor historian Suzannah Lipscomb.

Be brave, be confident and keep smashing it with everyone's favourite Gladiator – Fury!

Jodie Ounsley is a Gladiator, an England Rugby player, an inspirational role model for deaf people, and now an author too! In her debut book, Jodie wants to show young people everywhere that anything is possible when you believe in yourself.

ARE YOU READY?

KEEP SMASHING IT

9781035064045 | TPB | £9.99 | 13.03.25 | MCB

Written with journalist Becky Grey, *Keep Smashing It* is the new book from Gladiator star Jodie Ounsley, full of stories from her life as well as advice and top tips. Jodie uses her experience as a professional rugby player and her experience of being a woman in a 'man's game' to show children the value of being physically powerful – she proves that just because you're strong doesn't mean you're not feminine. She highlights the importance of family and having a strong team around you – everyone needs support behind them.

Jodie is a dedicated champion of deaf and disabled representation in sports. As one of the first people in the UK to have a cochlear implant fitted, when she was just 14 months old, Jodie was told she would never be able to play contact sports. She has gone on to be the world's first-ever deaf rugby player to compete internationally, playing for the Exeter Chiefs Women and for the GB Women Rugby Sevens team.

Following a similar format to Marcus Rashford's *You Are a Champion*, Jodie has combined accessible text with engaging infographics and a standout design, and this brilliant book will inspire children to believe in themselves and smash the barriers that are in their way.

**ORGANISING AUTHOR
AND ILLUSTRATOR VISITS**

Having an author or illustrator come to visit your school or library is a great way to bring books to life for children. You can write to any of the authors and illustrators published by Macmillan Children's Books c/o Children's Publicity Department.

Author visits require thorough planning, so you will need to contact us about your chosen author well in advance. Your letter should include a few dates for the author to select from, the ages of children attending and the type of event you would like to have.

A book makes a great souvenir of the day and authors are happy to sign them after the event has finished. Contact your usual supplier to arrange books for sale at the event and circulate a note to parents in advance so that that children can bring in some money.
