TEN GREEN BOTTOMS

Silly Sums!

Help the Green Bottoms add up.
Write your answers in the stinky clouds!

A. How many aliens are eating ice cream?

$$1 \text{ (alien with ice cream)} + 1 \text{ (alien with ice cream)} = \text{cloud}$$

C. How many aliens are sniffing flowers?

$$3 \text{ (aliens with flowers)} + 4 \text{ (aliens with flowers)} = \text{cloud}$$

B. How many aliens are roller skating?

$$1 \text{ (alien roller skating)} + 3 \text{ (aliens roller skating)} = \text{cloud}$$

D. How many aliens are wearing hats?

$$4 \text{ (aliens with hats)} + 2 \text{ (aliens with hats)} = \text{cloud}$$

Congratulations - that was great!
Now give yourself a cheer!
