GIRLS' U16 SUPRA LEAGUE

2021-22 Wimbledon

WELCOME

FROM NICK PINK, ENGLAND HOCKEY

We are delighted to welcome participating teams to the Under 14 Championships finals and Under 16 Supra League finals.

Our Junior Competitions Framework featuring tiered championships continues to be well received. However, minor refinements can be made to try and ensure the best possible experience for our young players. Following feedback from teams on last season's Supra League competition, this year, the finals take place over two days with two pools of four leading to a final and classification games. This change meant that the league stages were more competitive for longer, with two teams from each league qualifying for the event rather than one.

We congratulate the Under 16 teams here today who have made it through Area competitions and then to top Supra Area Divisions to reach the finals. We also congratulate the teams who have won through knockout rounds in the Under 14 Championships to reach one of the eight finals. We hope that they enjoy the experience of playing against their peers from around the country.

Our thanks go to all the team officials who have dedicated a lot of time to the development of each team. We know that their commitment is very much appreciated by the players and parents. Thanks also go to the umpires, including a heartening number of young officials, and the tournament officials who give their time freely to run the tournaments in a structured and fair manner. All of you are part of the thousands of people in our sport who continue to help hockey move forwards.

You will see our Pro League matches advertised elsewhere in the programme. With tickets now on general sale, it would be great to see young players from this tournament looking to aspire and learn from the Great Britain squads and enjoying our excellent international event experience.

The team at Nottingham Hockey Centre has always been at the forefront of developing hockey facilities. Working with their partners to create a venue with five pitches is an amazing achievement and is coupled with excellent on-event support. This allows us to host days such as today, bringing around 500 young people together each day to play our fantastic sport. We hope it is a memorable weekend for you all.

Under 14 Finals are 35 minutes each way with 5 minutes

HOPING TO PICK UP A PRINTED PROGRAMME?

England Hockey has taken the decision to go digital for all event programmes from 2023.

There are a number of contributing factors, but the main ones are:

- It is more environmentally friendly and avoids unnecessary paper wastage with printing
- It provides greater flexibility for more dynamic content in the programme and allows us to update late information
- We can provide the programme digitally free of charge for spectators and participants.

HOWEVER, GETTING TO A NATIONAL FINAL IS A BIG DEAL!

We recognise that you may wish to get your hands on a printed programme for the memory box, and we're pleased to tell you that it's still possible!

1. PRINT AT HOME

This is the perfect problem-solver for those of you with a printer at home (or in the office!) We are providing a free PDF file, set up for printing on both sides as a booklet. Simply download and print as many as you'd like! Download your copy from the news story about this event on the England Hockey website www.englishockey.co.uk

2. ORDER A PRINTED VERSION

If you don't have access to a decent enough printer to opt for the free-of-charge print-at-home solution, you can order a printed copy for £9.95 + £2.50 P&P. Our programme partners, JMS Creative, will print copies to order and post to your home. To order your copy, complete the form here bit.ly/3IB4s3r (this address is case sensitive and should be entered exactly as displayed)
