Status	Definition	Example	What do you need to do?
Cancelled	The game is not played and will not be replayed	Tournament gets cancelled by Covid and will not ever be replayed	Contact the League or competition organiser who will complete all further actions.
Walkover	One team in a game is unable to play so their opponents are awarded the game	One team concedes the game the day before due to not being able to field a team.	Complete the guide as shown on slide. Contact the league or competition rep before you do and let them know
Postponed	The game is not played but has to be played in the future	University team with agreement from opposition and League Secretary move the fixture into term time	Contact the league or competition rep to inform them of the revised date or for them to confirm this and they will change the date of the fixture. No further action required.
Abandoned	The game is started but not finished. The outcome is to be determined – a result at time of abandonment may stand or the game may need to be replayed	Serious injury or incident prevents the game from being finished	Advise your league or competition rep who will either rearrange the fixture or that the result at time of abandonment stands. Do NOT enter a score, but report what the score was to the League Rep (and how many minutes played)

A screenshot of the 'Scores - Create' form. At the top, it shows the date 'Wed- 19-10-2022' and the competition 'BUCS Men's Fixtures Yorkshire NE Area'. Below this, the teams are listed as 'Durham University 5 (M)' and 'Leeds Beckett University 2 (M)'. The form includes fields for 'Match Status' (with a dropdown menu), 'Home Goal', 'Home Red Card', and 'Away Red Card'. A 'Score' row shows '0' for both teams. At the bottom, there are 'Confirm' and 'Reset' buttons.

Select Walkover from the drop down and click confirm
